

## **ANOTHER CUP OF COFFEE**

And she pours herself another cup of coffee  
As she contemplates the stain across the wall  
and it's in between the cleaning and the  
washing

That's when looking back's  
The hardest part of all

And she always did her best to try and please  
him

While he always did his best to make her cry  
And she got down on her knees to stop him  
leaving  
But he always knew one day he'd say goodbye

Where are your friends  
Where are your children  
Is this your house  
Is this your home  
Does nothing ever last forever  
Does everybody sleep alone

And he tears the business tags from his old  
suitcase

As he packs away the pieces of his life  
They all love him but they always try to

change him

That's what happens when a girl becomes a  
wife

And she pours herself another cup of coffee  
As the pictures leave a clean space on the wall  
and it's in between the leaving and the loving  
That's when looking back's  
The hardest part of all

Where are your friends  
Where are your children  
Is this your house  
Is this your home  
Does nothing ever last forever  
Does everybody sleep alone

Don't look back  
Don't give up  
Pour yourself another cup
